Re: *United States v. Mohammad Ajmal Choudhry,*
13 Cr. 150 (WFK)

Dear Judge Kuntz:

This letter corrects information provided in my letter submitted by ECF earlier today, responding to the government's April 23, 2013, letter and providing information on additional potential suretors willing to post property on Mr. Choudhry's behalf.

Mr. Choudhry's life-long family friend from Pakistan, Abid Malik, remains willing to sign the bond and post property, but I have learned since filing my letter that the property Mr. Malik believed was available to post is not available. Minutes ago I received a phone call from Mr. Malik's attorneys informing me that while Mr. Malik is not able to post the equity he owns in gas stations in the Fort Worth area, he is willing and able to post 45 acres of undeveloped land he owns outright, and that is worth anywhere from \$250,000 to \$500,000.

If there are any questions about this potential suretor or his property, the Court should inquire of him directly.

Respectfully submitted,
